... I've passed these email addresses on to Susan. Susan is a very capable and efficient person who is in charge of coordinating the efforts of our group. Assuming those email addresses are correct, she may contact you and give you some idea of what we're doing, and once she gets acquainted with you a little, she'll let you know how you can help us.

For the present and the near future, I'll have to leave you mostly in Susan's hands—only infrequently can I write to you personally. The burden of excessive correspondence demands so much of my time and energy that I find it hard to make progress with the new book, so I have to try ...

Thank you for your letter dated Oct. 20, 2013, which I received on Nov. 4. Thank you also for sending me your and your son's respective email addresses, though again there is somewhat of a problem with legibility and I'm not absolutely certain that I have the addresses deciphered correctly. I read them

(yours)

(your son's)

Is that correct or not, I've passed these email addresses on to Susan. Susan is a very capable and efficient person who is in charge of coordinating the efforts of our group. Assuming those email addresses are correct, she may contact you and give you some idea of what we're doing, and once she gets acquainted with you a little, she'll let you know how you can help us.

For the present and the near future, I'll have to leave you mostly in Susan's hands-- only infrequently can I write to you personally. The burden of excessive correspondence demands so much of my time and energy that I find it hard to make progress with the new book, so I have to try
